

Mentee Application Form

New Graduate or New to a Position

The KCNA MentorLink program is designed to create partnerships between KCNA members who are experienced nurses and those who are new graduates or new to a position. The time commitment for both mentor and mentee will be three months, meeting or communicating at least once a month with the option of extending that time to 6 months or beyond. There is a mandatory two-hour orientation session on Tuesday, **October 29, 2019** from 5:30-7:30 pm at the KCNA office building. As a mentee, will be asked to participate in the evaluation of the program.

Please complete this form. Your answers will help the coordinator to match you with an appropriate mentor, thereby enhancing the value of the relationship. Return the completed form by **October 15, 2019** to kcnurses@kcnurses.org or KCNA, 4649 Sunnyside Ave N, Rm. 352, Seattle, WA, 98103.
