

Mentor Application Form

The KCNA MentorLink Program is designed to create partnerships between KCNA members who are experienced nurses and those in need of guidance including KCNA scholarship recipients, new graduates or nurses who are new to a position. The time commitment for both mentors and mentees is a minimum of 3 months, meeting at least once a month, with the option of extending that time to 6 months or beyond. There will also be a mandatory two-hour training and program kick-off on **Tuesday, October 29, 2019** from 5:30-7:30pm at the KCNA office building in Seattle. As a mentor, you will be asked to participate in the evaluation of the program.

Please complete this form. Your answers will help the program coordinator to match you with an appropriate mentee, thereby enhancing the value of the relationship. You must be a member of King County Nurses Association to participate in this program.

Return this form to kcnurses@kcnurses.org or King County Nurses Association, 4649 Sunnyside Ave N, #352, Seattle, WA 98103 by **October 15, 2019**.

Name: _____

Address: _____

City/State/Zip: _____
