

Mentor Application Form

The KCNA MentorLink Program is designed to create partnerships between KCNA members who are experienced nurses and

- KCNA scholarship recipients OR
- KCNA members who are new graduates or new to a position.

The time commitment for both mentor and mentee is 3–9 months; the new graduate/new to a position project is 3 months. All mentor teams are expected to communicate at least once a month (in person, by phone or text, email, etc.). There will be a mandatory two-hour orientation on **Wednesday, October 24, 2018**. All mentors and mentees will be asked to participate in the evaluation of the program.

Please complete this form; we will use the information to match you with an appropriate mentee, in order to maximize the value of the relationship. You must be a member of King County Nurses Association to participate in this program.

Return this form to kcnurses@kcnurses.org or King County Nurses Association, 4649 Sunnyside Ave N, #352, Seattle 98103 by **Monday, October 15, 2018**.

I am an actively practicing nurse.
If so, where do you practice?

I am a retired nurse.

Availability: I work days nights not applicable

Please list where and when you received your education (institution, date, degree):

Please list all nursing employment or volunteer experiences over the past 15 years (organization, position, dates):

What interests you about being a mentor?

Please share any personal or professional experiences you have had working with new nurses.

What types of information or guidance are you prepared to share with a new nurse?

Tell us how you spend your free time, including hobbies and interests outside of nursing.

Indicate whether you prefer to mentor:

Student (3-9 months)

New graduate/new to position (3 months)

No preference

Is there anything else we need to know to match you with a mentee?

I am able to make the time commitments noted above.
