

Mentee Application Form
New Graduate or New to a Nursing Position

The KCNA MentorLink program is designed to create partnerships between KCNA members who are experienced nurses and

- KCNA scholarship recipients or
- KCNA members who are new graduates or new to a position.

The time commitment for both mentor and mentee will be three months, meeting or communicating at least once a month. There is a mandatory two-hour orientation session on **Wednesday, October 24, 2018**. All mentees and mentors will be asked to participate in the evaluation of the program.

Please complete this form. Your answers will help the coordinator match you with an appropriate mentor, enhancing the value of the relationship. Return the form to kcnurses@kcnurses.org or KCNA, 4649 Sunnyside Ave N, Rm. 352, Seattle 98103 by **Monday, October 15, 2018**.

I am a recent graduate of nursing school.

Which school?

When did you graduate?

I am a registered nurse in a new position.

Where are you working?

Name of new position:

List where and when you received your education (institution, dates, degree):

List nursing employment or volunteer work you have had in the last 10 years (employer, position, dates):

What do you expect to gain from your mentor-mentee relationship?

Tell us about how you spend your free time, including hobbies and interests outside nursing.

Availability: I work days nights not applicable

If you are employed, would you like to be matched with someone from the same hospital?

Yes No

Is there anything else we need to know to match you with a mentor?

I am able to make the time commitments noted above.
