

King County Nurses Association has been recognizing outstanding nurses with annual awards for decades (our records go back to 1961, but it likely began even earlier). The nature of the awards has changed a bit over the years, but the bottom line has stayed the same — *honoring exceptional nurses*.

Up to three nurses may receive Shining Star awards each year; KCNA's Membership & Public Relations Sub-Committee makes the selection. Each award recipient is honored at the KCNA annual meeting in May.

This year, we'd love to have YOU nominate a KCNA nurse! Whether you're a health professional or a patient, you no doubt know a KCNA nurse (or several) who exemplify the very best of the profession. Please take a moment to tell us about that special nurse (fill in below).

**The nomination deadline is April 1. If you have questions, please call KCNA at 206/545-0603 or e-mail [rose@kcnurses.org](mailto:rose@kcnurses.org).**

**We'll look forward to hearing from you!**
